Crochet terms used:
Sc = single crochet
Sc2tog = make 2 single crochet into one
Sl st = slip stitch
St = stitch
Sts = stitches

Pattern info:

This pattern is worked in the round, use stitch marker and mark the beginning of each round.
When a series of stitches are repeated these are within * - * and the total of times that sequence is croched is written behind. The sts are separated with a comma, so: 1 sc,2 sc, means that you make 1 sc in the first st and 2 sc in the next st.
